WELCOME BACK TO INDOOR

[District Changes and Hoosier 690](#)

This indoor season brings with it a couple of changes to the indoor districts. First, after careful consideration, we are raising the cost of the district shoot fee. All 18+ classes are now \$20.00 per shooter, and all under-18 classes are \$10.00. The family maximum is \$40.00. These rates will also apply to the Indoor State District Fee (if you do not attend a district.)

The second change of this district season is the introduction of the Indoor Achievement Pin system. For those familiar with the USA Archery Achievement Awards and corresponding Scoring Matrix, this will be very similar.

Achievement Pin Rules:

1. You must be an IFAA member to receive pins. You may visit nfausa.sport80.com to renew if necessary.
2. Pins must be earned **IN ORDER**, beginning with the white pin.
3. **You may earn pins in your HOME district ONLY.** Per the IFAA Constitution, your home district is set at the FIRST district you attend each indoor season. However, if you wish to attend a district that takes place earlier than the one in your preferred home district, you MUST tell the directors you will be shooting as a guest. **REMEMBER! You may only VOTE for directors in your home district, so it is important to designate your home district carefully.**
4. Pins will only be awarded for scores achieved at a district shoot on **THAT DAY ONLY**. This means you cannot “save” a score for a higher pin award to receive later. And you cannot “trade” scores to continue earning awards. Example: a youth freestyle limited recurve archer shoots a 126 at the first district, earning their white pin. At the second district, they shoot a 121, which is not high enough for the yellow pin. The director cannot award

a yellow pin just because the archer has now shot two scores high enough for two pins. The shooter will need to try again to shoot a 125 at the third district.

5. This is currently implemented on a trial basis. There may be some kinks to work out, and questions that arise. Please bear with us as we learn. If you have questions or concerns, please mention them to your district directors, or email us at ifaarchery@outlook.com.

HOOSIER 690 PRO/AM

Our officers and directors have been hard at work all year preparing this year's Hoosier 690 tournament. We have some exciting updates to this year's events!

First, we are returning to Roundtripper Sports Academy in Westfield! We received so much positive feedback on the venue last year. We are excited to make the site our home for the next 3 tournaments!

Second, for the first time ever, we are offering over **\$6000 in BONUS PAYOUTS!** Men's and Women's Pro, Senior Men's Pro, Men's and Women's Adult Money, Senior Men's Money, and Adult Bowhunter Freestyle Money classes are eligible for a bonus payout! As a reminder, this is an "open" tournament: no membership or pro card is required to enter any classes. All NFAA classes will be available for trophy classes.

And finally, live scoring will be available during the tournament! Watch how your favorite archers are doing in real time or have immediate results for you and your competitors.

Get registered now via [Rcherz](#) or visit our [website](#) for more information.
